Preserving and Expanding Boating Opportunities

Recreational Boating Association of Washington

www.rbaw.com

Lakebay Marina

Phase 1 Improvements

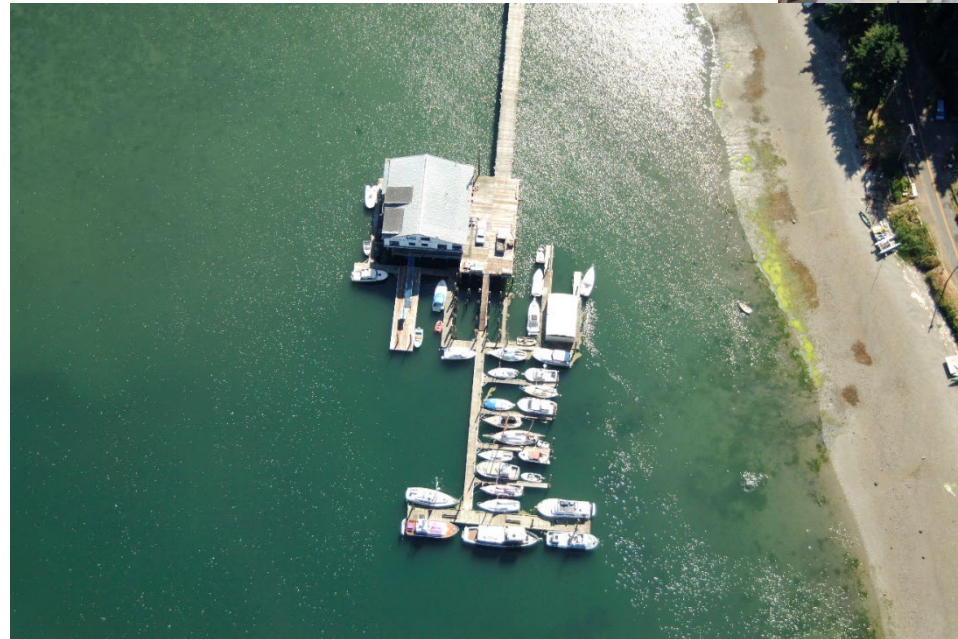

- Rebuild boat launch
- Regrade and pave access road
- Install restroom facilities
- Upgrade parking area
- Modernize utilities

Close by Boating Experience

Mayo Cove is an ideal location

- Will accommodate up to 30 boats
- Both shallow and deep-water recreation opportunities
- Historic location

More Opportunities Coming

- Unique opportunity to expand relationship with DNR
- RBAW 501c3 conservancy infrastructure growing
- Build a network of boating destinations throughout the Salish Sea

Sustaining the Legacy

Recreational Boating Association of Washington

www.rbaw.com

Our Legacy Is Not Guaranteed

- 4 years ago we had a leadership crisis
- Volunteer organizations are hard to organize and maintain
- Our mission and programs have grown
- No other organization or group can replace us
- Today we also have a leadership crisis
 - Lacking officer candidates
 - Lacking qualified director candidates
 - Lacking a pipeline of new delegates

RBAW Forever

- Plan to hire a full-time Executive Director to take over day to day operations
- Continue funding our 10 hour per week membership admin staff position
- Hire a consultant who can assist our Nominating and Governance committee in preparing the organization for an executive director
 - Job description and selection process
 - Create Board position descriptions and packets
 - Ensure RBAW organizational documents are all in order

RBAW Forever

- Raise club dues to the Sustaining level for all Legacy clubs over the next 2 renewal years
- Increase corporate and sponsorship memberships
- It is time to **INVEST** in our future by spending some of our reserves

RBAW Sustaining Clubs

- Clover Island
- Gig Harbor
- Longview
- Meydenbauer Bay
- Olympia
- Rainier
- Tacoma
- Three Tree Point
- Tyee
- West Seattle
- Yakima

Clubs with an RBAW Membership Option

- Fidalgo
- Fox Island
- Kingston Cove
- Poulsbo
